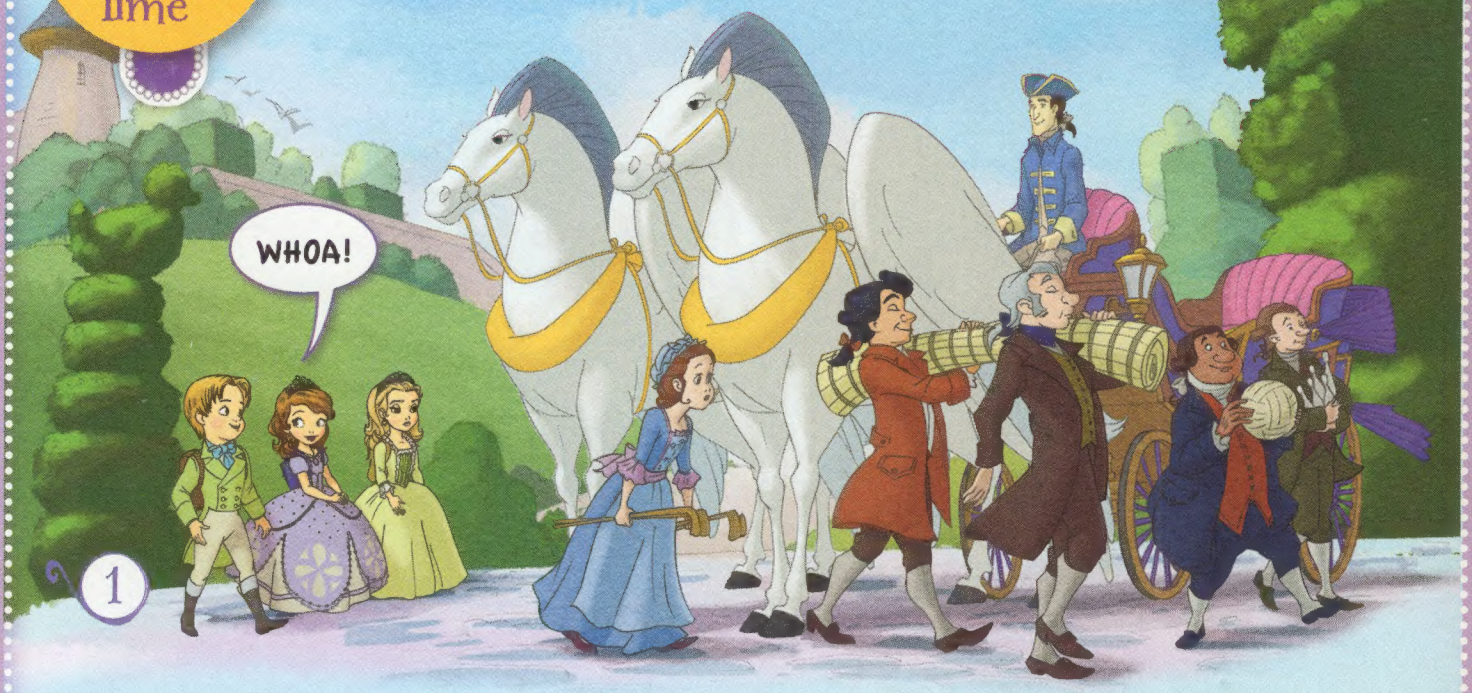
Story Time Corner

A Special Day

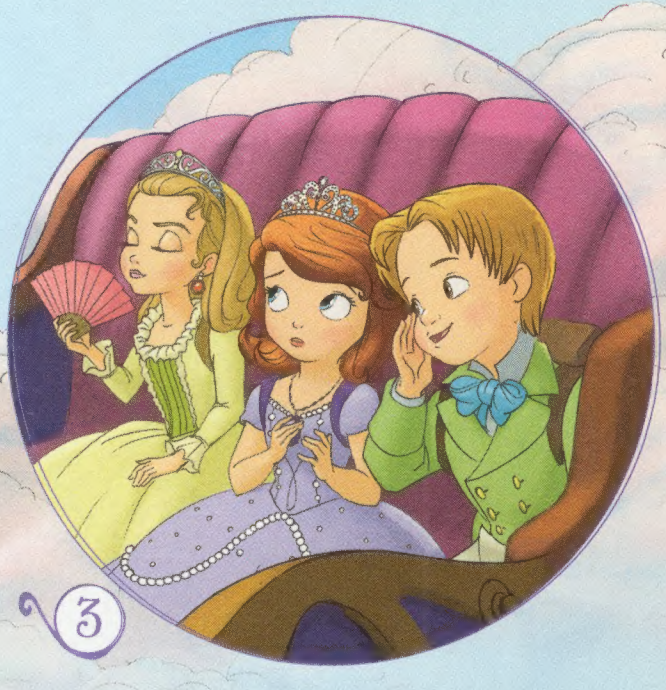


1

This morning everyone is so busy! What's going on? James tells me that tomorrow our family will take part in a very special event, together with the royal families of Khaldoun and Wei-Ling. It's called The Tri-Kingdom Picnic.

2

As we fly to school, I learn everything about this royal event. The kids will play team games. It's going to be fun!



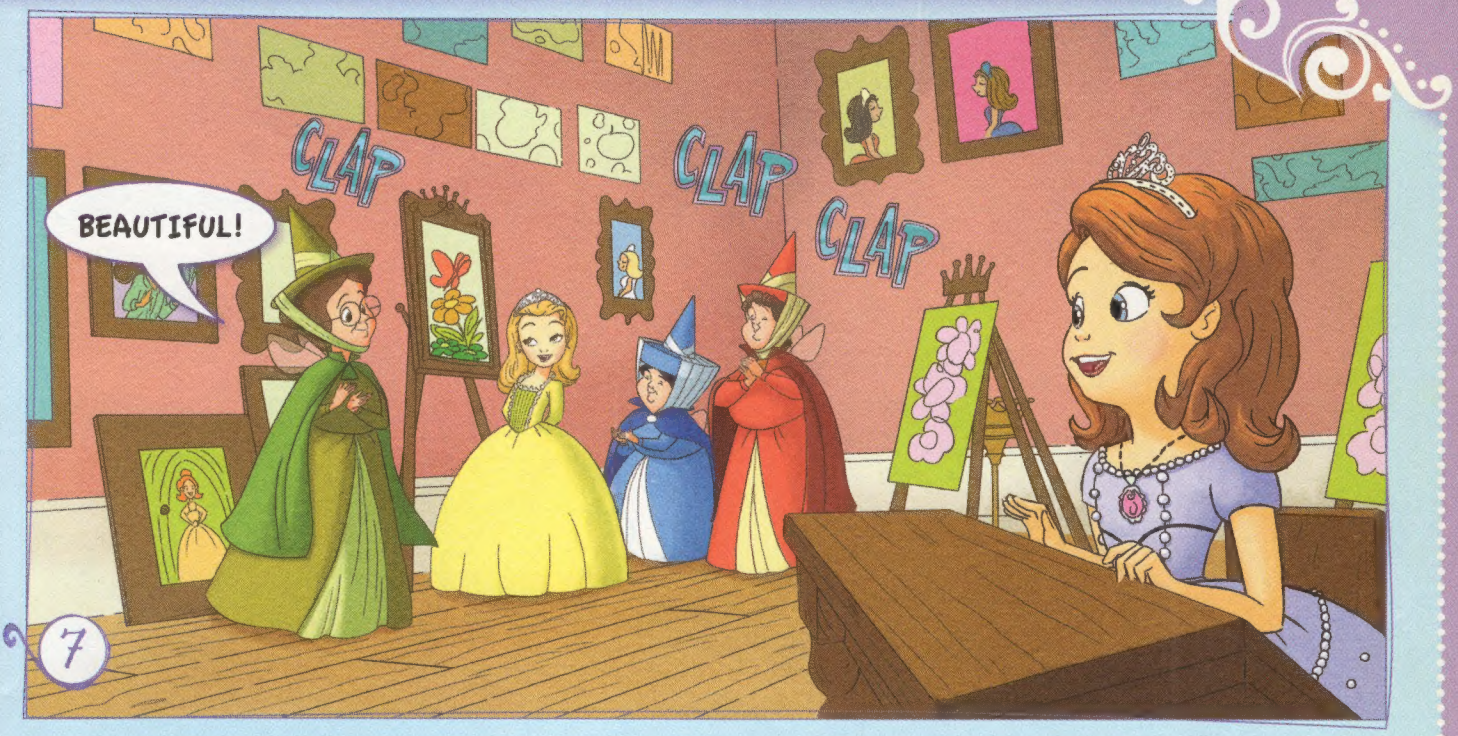
3

Amber does not look very happy. "I feel sorry for Amber, she is not very good at sports," James whispers to me.

At recess, I speak to Amber about tomorrow, but she says she doesn't like sports, and maybe she won't even show up this year. Oh, no! I want her to be there with us! What can I do?

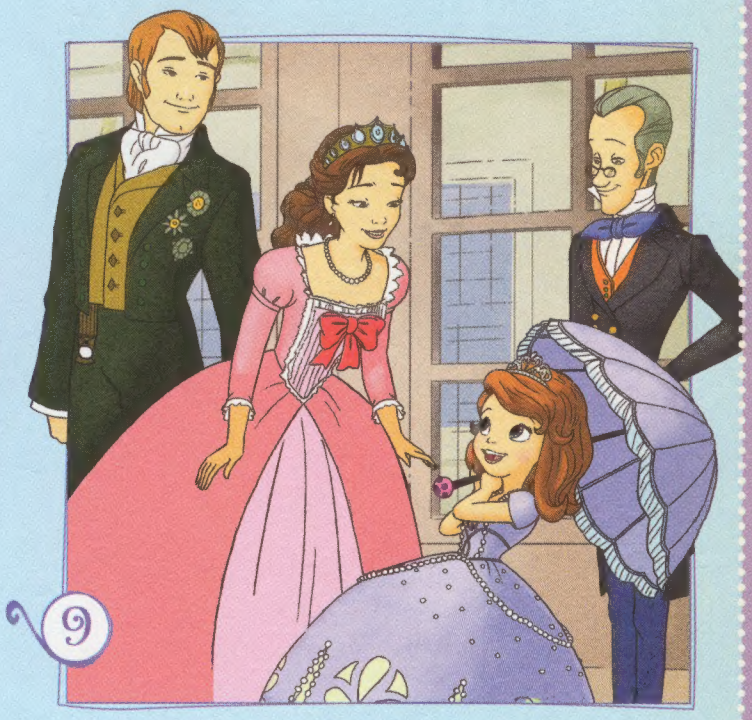
I meet Maya, Jun, and Leena, who are invited to the Picnic too. Maya tells me that her sister, Leena, doesn't like the games either.

I feel sorry for Princess Leena. She won't have fun tomorrow either, just like Amber. I must try to help them both!



Later, during the art lesson, I look at Amber. She loves painting and decorating, and she feels so happy when she does it. I know that Leena likes spending time with her and learning how to be a better princess, so...

... I have a super idea!
While we are playing tomorrow, Amber and Leena can decorate parasols. I'm sure they will love it!



Mom and Dad think my idea is great. Baileywick will help me find everything they need. I can't wait to see Amber's face!

The next day, I take Amber to the Tri-Kingdom Picnic with us. Everything looks so wonderful. The food is delicious and everybody is ready to play. "There's something nice I want you to see," I tell Amber.

"Today, you'll decorate parasols!" I say. Amber is so happy and surprised! Now, I'm sure she and Leena will have fun even though they won't take part in the games. We like doing different things, but this day will be special for all of us.

The End

Blueberry Hunt!

Sofia is playing a game with Clover. Find the way through the maze to where Clover is waiting for Sofia. Check the circle by each blueberry as you pass it in the maze.

Enchancia Castle

Three Teams

King Roland is showing everyone a map of the 3 kingdoms. Find out who belongs to each team by drawing lines from the shapes next to each castle to the ones next to the players. Color the shapes to match the ones on the map.

How many team players are there in the picture?

Write the number in the box.

The Missing Name

The map is old – the name of one kingdom is missing. Follow the lines to shuffle the letters and it will reappear!

Everyone's Different!

Sofia enjoys playing outdoor games, but Amber does not. Even in the same family, everyone has different interests! Which things do you think Amber and James like? Cut out and glue each object next to the person who likes it best.
